

Curriculum Vitae**Wen Zehuai****Personal Information**

Gender: Male
Date of Birth: Sept., 1965
Birth Place: Guangdong, China
E-mail: wenzh@gzhtcm.edu.cn, zehuaiwen@gmail.com

Education & Training

6/2006 MD, Guangzhou University of Traditional Chinese Medicine, China
 6/1999 MM, Guangzhou University of Traditional Chinese Medicine, China
 5/1992 Training for clinical pharmacology, Beijing Medical University, Beijing
 7/1991 Training for computer skill and statistics, Tongji Medical University, Wuhan, China
 7/1986 MB, Guangzhou College of Traditional Chinese Medicine, China

Work History

2010 - date Professor in Clinical Research,
Guangdong International Clinical Research Center of Chinese Medicine
 2008 - date Professor in Clinical Research,
Research Center of Guangdong Academy of Chinese Medical Sciences
 2004 - date Professor in Clinical Research, Guangzhou University of Chinese
Medicine
 1999 - 2004 Assistant Professor in Clinical Research
Design, Measurement, and Evaluation (DME) Center
Guangzhou University of Traditional Chinese Medicine
 1994 - 1999 Lectureship, Guangzhou University of Traditional Chinese Medicine
 1996.7-10 Co-operation research for Guangzhou dementia epidemiology at the
Graduate School of Public Health, San Diego State University, San Diego,
USA
 1995.10-11 Co-operation research for Guangzhou dementia epidemiology study at the
Alzheimer Disease Research Center, UCSD, San Diego, USA
 1994.12 Co-operation research for Guangzhou dementia project at Hong Kong
University of Science & Technology, Hong Kong, China
 1986 - 1994 Physician, Affiliated Hospital of Guangzhou College of Traditional
Chinese Medicine

Research Experience

2010– date PI, Developing the Guidelines for Usage of 20 Chinese Patent Medicines,
funded by State Administration of Traditional Chinese Medicine, China
 2007 – date Co-PI, Data Management and Quality Control for Clinical Research of
Chinese Medicine, National 11th Five-year Plan, funded by the Ministry of
Science and Technology, China
 2002 – 2006 Co-PI, Methodology and Technology for Clinical Trial of Chinese
Medicine, National High-tech R&D Program, funded by the Ministry of

- Science and Technology, China
- 1999 - 2001 Co-PI, Clinical Research on Chinese Medicine for Alzheimer disease, funded by the Ministry of Science and Technology, China
- 1997- 2002 PI, A Monitoring of Adverse Drug Reactions to Injections of Traditional Chinese Medicine in Guangdong Provincial Hospital of TCM, funded by State Administration of Traditional Chinese Medicine, China
- 1994 - 1996 Senior Research Associate on a research project entitled "An Epidemiologic Study of the Health of the Elderly in Guangzhou, China," funded by the Institute of Science and Technology in Guangzhou, Guangdong Province, China
- 1992 - 1994 Senior Research Associate, Epidemiologic Study of the Risk Factors of Stroke: a Multi-Center Project funded by Administration of Traditional Chinese Medicine, China
- 1988 - 1992 Research Associate, A Study of Blood-Stasis Syndrome in Guangzhou, China, funded by the Ministry of Public Health, China
